Company: Landform Professional Services, LLC
Job Title: **Entry Level E.I.T.**
Job Location: Downtown Minneapolis

Landform is a multi-disciplinary consulting firm based in Minneapolis. We offer a full range of site design, planning and civil engineering services backed with over 20 years as an organization. Our professional resources include landscape architects, planners, civil engineers, land surveyors and development managers. We are committed to client service, design quality, principles of sustainability and an innovative approach to site design.

Our culture is based on our vision to grow and diversify while emphasizing quality design, strong client partnerships, and an energetic employee environment. We value quality, relationships, mentorship, leadership, and enthusiasm in our work. We achieve our mission by helping our public and private sector clients create successful memorable, SensiblyGreen® places.

Duties include all aspects of site design including, preparation of site plans, grading, drainage, erosion control plans, utility plans and coordination with other disciplines. You will be expected to work directly with clients, consultants, and contractors.

As the Designer you must be proficient in using AutoCAD, and experience in Civil3D is preferred.

Designer Responsibilities:

- Site Analysis, Selection & Feasibility Studies
- Site Design & Theming
- Building Siting & Parking Design
- Stormwater Management
- Erosion & Sediment Control
- Grading Design, Utility/Infrastructure Design
- Earthwork Analysis
- Sustainable Design
- Traffic Circulation Analysis
- EAW, AUAR, EIS, ISP Review/Preparation
- Site Illumination Analysis
- Construction Observation
- Any similar tasks which would typically be performed at a site design firm

Qualifications:

- Ability to multi-task in a fast-paced environment
- Strong attention to detail
- Ability to follow instructions, take initiative and be self-motivated
- Good verbal and written communication skills
- Positive and professional attitude
- Punctual
- Strong work ethic
- Ability to work in a team
- Understanding of AutoCAD required
- Experience with Civil 3D a plus

Training Available: Our focus on developing strong teams through hands on training in real world situations contributes to our successful growth.

Full-Time/Part-Time/Hours: Full-Time with a flexible work environment.

Salary: DOQ

Benefits: Health, dental, life, disability, PTO & vacation days, 401K employer contribution, transportation allowance and a flexible work environment

Social Benefits: Annual employee appreciation nights, annual family events, monthly happy hours, monthly birthday & anniversary celebrations, volunteering opportunities and networking opportunities.

Advancement Potential: Promotions are based on your proven ability to master tasks.
